INSTALLATION INSTRUCTIONS FOR TYPE A DISPLAY RACK

Installation steps

- Step 1:**
 Assemble the left divider [1] and the left middle divider [3] using the front short beams [6]. Install the [6] front short beam from bottom to top, and insert one [9] shelf 2 after securing each layer. The second piece needs to be inserted from the bottom of the [6] front short beam.

- Step 2:**
 Assemble the right divider [2] and the right middle divider [4] using the front long beam [5]. Then insert the [11] shelf 1.

- **Step 3:**
Install the [7] lower right upright to the [5] front long beam using screws, and then assemble them.

- **Step 4:**
Connect [A] and [B] with front long beam [5].

- **Step 5:**

Place the remaining [11] shelf 1 on the beam. The second [11] shelf 1 on the right needs to be inserted from the bottom of the [5] front long beam. Then, install the [14] front panel with screws.

- **Step 6:**

Install the [13] mesh rear panel 2 and [12] rear panel 1 from bottom to top, securing them tightly with screws.

- [4]. Shelves *4

- [5]. Left and Right Columns *2

- [6]. M4*8 Screws *30

INSTALLATION INSTRUCTIONS FOR TYPE B DISPLAY RACK

Installation steps

- **Step 1:**
Assemble the [1] Left Side Panel and [2] Right Side Panel together.

- **Step 2:**
Insert the 4 [3] Shelf Beams into their respective positions from bottom to top.

- **Step 3:**
Secure the left and right side panels with screws from bottom to top.

- **Step 4:**
Tighten the [3] Shelf Beams with screws.

- **Step 5:**
Insert the 4 [4] Shelves from bottom to top.

- **Step 6:**
Secure the [5] Left and Right Vertical Columns with screws to complete the installation.

MAINTENANCE SERVICE

Our products are made of long-lasting and durable materials, and we insist on perfect production process. Each product leaves the factory after 35 procedures and 12 times of testing and inspection work, which ensures that each product has excellent quality and performance.

Maintenance

To maintain the performance and appearance of the product, it is recommended that the following product care guidelines be read carefully:

- Be careful not to rub the product against rough surfaces or wear the product, especially the sheet metal housing.
- Please regularly check the product parts that need to be tightened and connected. If found loose, please tighten it in time to ensure the safe operation of the equipment. The external and internal parts of the equipment in contact with various chemical media should be frequently treated with anti-corrosion treatment such as rust removal and painting to improve the corrosion resistance of the equipment and extend its service life.
- Comply with the safe operating procedures and do not overload the equipment. The safety guards of the products are complete and reliable. Unsafe factors are to be eliminated in time. The circuit part should be checked thoroughly and the aging wires should be replaced in time.
- Adjust the clearance of various parts and replace worn (broken) parts. Avoid contact with corrosive liquids.
- When not in use, please store the product in a dry place. Do not store the product in hot, humid, or non-ventilated places.

WARRANTY

From the date of receipt, we provide a three-year warranty for the main unit and all the accessories included are covered by a one-year warranty.

Warranty access

- The repair or replacement of products is determined by the actual breakdown situation of product.
- It is guaranteed that AUTOOL will use brand new component, accessory or device in terms of repair or replacement.
- If the product fails within 90 days after the customer receives it, the buyer should provide both video and picture, and we will bear the shipping cost and provide the accessories for the customer to replace it free of charge. While the product is received for more than 90 days, the customer will bear the appropriate cost and we will provide the parts to the customer for replacement free of charge.

These conditions below shall not be in warranty range

- The product is not purchased through official or authorized channels.
 - The product breakdown because the user does not follow product instructions to use or maintain the product.
-

We AUTOOL pride ourselves on superb design and excellent service. It would be our pleasure to provide you with any further support or services.

Disclaimer

- All information, illustrations, and specifications contained in this manual, AUTOOL reserves the right of modify this manual and the machine itself with no prior notice. The physical appearance and color may differ from what is shown in the manual, please refer to the actual product. Every effort has been made to make all descriptions in the book accurate, but inevitably there are still inaccuracies, if in doubt, please contact your dealer or AUTOOL after-service centre, we are not responsible for any consequences arising from misunderstandings.

RETURN & EXCHANGE SERVICE

Return & Exchange

- If you are an AUTOOL user and are not satisfied with the AUTOOL products purchased from the online authorized shopping platform and offline authorized dealers, you can return the products within seven days from the date of receipt; or you may exchange it for another product of the same value within 30 days from the date of delivery.
- Returned and exchanged products must be in fully saleable condition with documentation of the relevant bill of sale, all relevant accessories and original packaging.
- AUTOOL will inspect the returned items to ensure that they are in good condition and eligible. Any item that does not pass inspection will be returned to you and you will not receive a refund for the item.
- You can exchange the product through the customer service center or AUTOOL authorized distributors; the policy of return and exchange is to return the product from where it was purchased. If there are difficulties or problems with your return or exchange, please contact AUTOOL Customer Service.
